Alice

Lady Gaga

My name isn't Alice

But I'll keep looking, I'll keep looking for Wonderland

My name isn't Alice

But I'll keep looking, I'll keep looking for Wonderland, WonderlandAh-ah-ah-ah-ah

Set me free

Ah-ah-ah-oh, ah-ah-ah

Set me freeCould you pull me out of this alive?

Ah-ah-ah-oh, ah-ah-ah

Where's my body? I'm stuck in my mind

Ah-ah-ah-oh, ah-ah-ah

Oh ma-ma-ma, oh ma-ma-ma

I'm tired of screaming

Oh ma-ma-ma, oh ma-ma-ma

At the top of my lungs

Oh my mother, oh my mother

I'm in the hole, I'm falling down, down, so down, downMy name isn't Alice

But I'll keep looking, I'll keep looking for Wonderland

My name isn't Alice

But I'll keep looking, I'll keep looking for Wonderland, WonderlandTake me home

Take me to Wonderland, Wonderland

Take me home

Take me to Wonderland, Wonderland

Sick and tired of waking up

Screaming at the top of my lungs

Think I might have just left myself behind

Maestro, play me your symphony

I will listen to anything

Take me on a trip, DJ, free my mindMy name isn't Alice

But I'll keep looking, I'll keep looking for Wonderland

My name isn't Alice

But I'll keep looking, I'll keep looking for Wonderland, WonderlandTake me home

Take me to Wonderland, Wonderland

Take me home

Take me to Wonderland, WonderlandTake me home

Take me to Wonderland, Wonderland

Take me home

Take me to Wonderland, WonderlandAh-ah-ah-oh, ah-ah-ah

Set me free

Ah-ah-ah-oh, ah-ah-ah-oh

Set me free
