Say You Won't Let Go

James Arthur

I met you in the dark
You lit me up
You made me feel as though
I was enough
We danced the night away
We drank too much
I held your hair back when

You were throwing upThen you smiled over your shoulder

For a minute, I was stone cold sober

I pulled you closer to my chest

And you asked me to stay over

I said, I already told ya

I think that you should get some rest

I knew I loved you then

But you'd never know

Cause I played it cool

When I was scared of letting go

I know I needed you

But I never showed

But I wanna stay with you

Until we're grey and old

Just say you won't let go

Just say you won't let goI wake you up with some breakfast in bed

I'll bring you coffee

With a kiss on your head

And I'll take the kids to school

Wave them goodbye

And I'll thank my lucky stars for that night

When you looked over your shoulder

For a minute, I forget that I'm older

I wanna dance with you right now, oh

And you look as beautiful as ever

And I swear that everyday you'll get better

You make me feel this way somehowI'm so in love with you

And I hope you know

Darling your love is more

than its worth in gold

We've come so far my dear

Look how we've grown

And I wanna stay with you

Until we're grey and old

Just say you won't let go

Just say you won't let goI wanna live with you
Even when we're ghosts
Cause you were always there for me
When I needed you mostI'm gonna love you till
My lungs give out
I promise till death we part
Like in our vows
So I wrote this song for you
Now everybody knows
Cause it's just you and me
Until we're grey and old
Just say you won't let go
Just say you won't let go
Oh, just say you won't let go
