

# In My Blood

Shawn Mendes

[Intro]

Help me, it's like the walls are caving in  
Sometimes I feel like giving up  
But I just can't

It isn't in my blood[Verse 1]

Laying on the bathroom floor, feeling nothing  
I'm overwhelmed and insecure, give me something  
I could take to ease my mind slowly  
Just have a drink and you'll feel better  
Just take her home and you'll feel better  
Keep telling me that it gets better  
Does it ever?

[Chorus]

Help me, it's like the walls are caving in  
Sometimes I feel like giving up  
No medicine is strong enough  
Someone help me  
I'm crawling in my skin  
Sometimes I feel like giving up  
But I just can't

It isn't in my blood[Post-Chorus]

It isn't in my blood[Verse 2]

Looking through my phone again feeling anxious  
Afraid to be alone again, I hate this  
I'm trying to find a way to chill, can't breathe, oh  
Is there somebody who could...

[Chorus]

Help me, it's like the walls are caving in  
Sometimes I feel like giving up  
No medicine is strong enough  
Someone help me  
I'm crawling in my skin  
Sometimes I feel like giving up  
But I just can't

It isn't in my blood[Post-Chorus]

It isn't in my blood[Bridge]

I need somebody now

I need somebody now

Someone to help me out

I need somebody now[Chorus]

Help me, it's like the walls are caving in  
Sometimes I feel like giving up

But I just can't  
It isn't in my blood[Post-Chorus]  
It isn't in my blood  
It isn't in my blood  
I need somebody now  
It isn't in my blood  
I need somebody now  
It isn't in my blood
