

# Someplace Else

George Harrison

You got into my life  
I don't know how you found me  
But you did  
It stopped me heading someplace else  
Took me a while to say  
Wish you belong to me  
But now I'm saddened like I've never been  
Regretting that we'll leave  
And for a while you could comfort me  
And hold me for some time  
I need you now to be beside me  
While all my world is so untidy  
Loneliness (ooh)  
Empty faces (ooh)  
Wish I could leave them all (ooh)  
In someplace else (someplace else)  
I hope you won't let go  
Maybe you'll let me know  
That you'll be saddened like you've never been  
Regretting that we'll leave  
And for a while I could comfort you  
And hold you in my mind  
I need you now to be beside me  
While all my world is sad and crazy  
Loneliness (ooh)  
Empty faces (ooh)  
Wish I could leave them all (ooh)  
In someplace else  
And for a while you could comfort me  
And hold me for some time  
I need you now to be beside me  
While all my world is so untidy  
Loneliness (ooh)  
Empty faces (ooh)  
Wish I could leave them all (ooh)  
In someplace else  
Loneliness (ooh)  
Empty faces (ooh)  
Wish I could leave them all (ooh)  
In someplace else (someplace else)  
I think I'm gonna leave them all  
In someplace else (someplace else)
