

# Let It Grow

[Eric Clapton](#)

Standin' at the crossroads  
Tryin' to read the signs  
To tell me which way I should go to find the answer  
And all the time I know  
Plant your love and let it grow Let it grow, let it grow  
Let it blossom, let it flow  
In the sun, the rain, the snow  
Love is lovely, let it grow Lookin' for a reason  
To check out on my mind  
It's so hard to get a friend I can count on  
There's nothin' left to show  
Plant your love and let it grow  
Let it grow, let it grow  
Let it blossom, let it flow  
In the sun, the rain, the snow  
Love is lovely, so let it grow  
Let it grow Time is gettin' shorter  
There's much for you to do  
Only ask and you will get what you are needin'  
The rest is up to you  
Plant your love and let it grow Let it grow, let it grow  
Let it blossom, let it flow  
In the sun, the rain, the snow  
Love is lovely, let it  
Let it grow, let it grow  
Let it blossom, let it flow  
In the sun, the rain, the snow  
Love is lovely, so let it grow
