If It Wasn't for Your Love

Heather Headley

Would I be standing here After all these years Among the stars above Maybe not If it wasn't for your loveSmiling faces all around Like when a king that's just been crowned A battle has been won That I'd have lost If it wasn't for your love A fairytale unfolds More true than stories I've been told At last my chance to shine And all in perfect time The life I'd once dreamed of Who'd have thought If it wasn't for your love And oh, the wonderful surprise To have a light so bright it blinds It blinds my eyes But finally I see How it feels to live a dream But would I have touched the sky Ever flown so high Mmmmm, not I If it wasn't for your loveFor your love...
