

IF iT Ain'T rIGHt (feat. A Boogie wit da Hoodie)

Tory Lanez

[Intro]

Everything foreign, nigga [Chorus: Tory Lanez]

We ain't fuckin' shawty if it ain't right

I was passin' on it since it came by

You been talkin' 'bout it, but it can't fly

Both my bitches in the club, same night

Damn, I just seem to can't get by

Long as they gon' pay me in advance, I'm fine

My lil' nigga got that 30 in his pants, I'm fine

She told me that she love a trap nigga get fly

[Verse 1: Tory Lanez]

Trap up out the bando

You don't understand tho

I skrt with the Lambo, I will

30 bands in my pants tho

I took her up out her short shorts

Fuck that bitch, commando, I will

Top down, yeah, I got you rolling

Both my bitches in the club, got me focused

Say it to her face, don't give a fuck who I offend

I gotta keep it real, but no [pretend] shawty [Chorus: Tory Lanez]

We ain't fuckin' shawty if it ain't right

I was passin' on it since it came by

You been talkin' 'bout it, but it can't fly

Both my bitches in the club, same night

Damn, I just seem to can't get by

Long as they gon' pay me in advance, I'm fine

My lil' nigga got that 30 in his pants, I'm fine

She told me she love a trap nigga get fly

[Verse 2: A Boogie Wit Da Hoodie]

Yeah

Look at how I dress, I'm fly

I just spent like 30 in Hermès, oh my

I told every girl she was the best, I lied

Tory that's my nigga, that's my bro, my guy

But, please stop killing my vibe

Dirty clip so long, it's hanging off my side

When they hit my nigga V12 up, I cried

Hit 'em in the stomach and he still did not die, yeah [Bridge: A Boogie Wit Da Hoodie]

Living real good, yeah, mm

And I'm still good, yeah, yeah
Bitch, I feel good, yeah, yeah
And I'm real good[Chorus: Tory Lanez]
We ain't fuckin' shawty if it ain't right
I was passin' on it since it came by
You been talkin' 'bout it, but it can't fly
Both my bitches in the club, same night
Damn, I just seem to can't get by
Long as they gon' pay me in advance, I'm fine
My lil' nigga got that 30 in his pants, I'm fine
She told me she love a trap nigga get fly
