

# I'm Ready

AJR

I'm Ready  
Are you ready? You're feeling good, you're feeling right  
Across the floor, and I'm already losing my mind  
Baby girl, looking fine  
Watch you playing and playing and playing these guys  
Catch my stare, little smile  
Tell me that you're ready and you're feeling the vibe  
Someday I'll be so damn sublime,  
We'll arrive behind a hash-tag sign I won't forget you, but I may...  
Forget your name  
My lady  
I know what you're thinking  
When the bass starts ringing  
Can you tell me when you're stoked to start?  
Are you ready for tonight,  
Setting it on fire  
And we'll dance until we're dumb in the dark  
My lady  
I know what you're thinking  
When the bass starts ringing  
Can you tell me when you're stoked to start?  
Are you ready for tonight,  
Setting it on fire  
And we'll dance until we're dumb in the dark  
Are you ready?  
I'm ready  
Break me down, dirty jokes  
Watch me dear, and say what you wanna know  
Beauty lies, within the eyes  
Of the beholder, I'll be holding you close all night  
I won't forget you, but I may...  
Forget your name  
My lady  
I know what you're thinking  
When the bass starts ringing  
Can you tell me when you're stoked to start?  
Are you ready for tonight,  
Setting it on fire  
And we'll dance until we're dumb in the dark  
My lady  
I know what you're thinking  
When the bass starts ringing  
Can you tell me when you're stoked to start?  
Are you ready for tonight,  
Setting it on fire  
And we'll dance until we're dumb in the dark  
Are you ready?  
I'm ready  
Break me down, I'm ready, break me down  
Break me down, I'm ready, break me down

Break me down, I'm ready, break me down  
Break me down, I'm ready, break me down  
I won't forget you, but I may...  
Forget your name I'm ready Break me down, I'm ready, break me down  
Break me down, I'm ready, break me down Are you ready?
