Wheezy Beats[Chorus]

Importin' them drugs from Columbia (Columbiana, no Santana)  
I'm with some hitters case they run in here (keep that hammer, keep that hammer)  
Don't like the tension, better not tempt me, please don't fuckin' stare (don't fuckin' stare)

Strapped up in case you trip, Hi-Tech, pour a four and sip  
Diamond ring inside my lip, I buy Céline gifts

I'm close to the water like seagulls  
Heroin, I don't play with needles  
If you want your bitch, better keep her  
Once I fuck I'm gon' mistreat her  
Once I fuck I gotta eat her  
Pour syrup all in the liter  
Devil child, bitch I'm a demon (demon, yeah)
