

# Cyan

## Kindness

. a new future  
. at the door  
. and then by accident  
The rhythm comes and run  
The music and the...  
...towards the sky  
. every sign 'till the end of time.  
Cyan, cyan, cyan, cyan, cyan, cyan, cyan, cyan! Our hearts are taking on ...  
It casts the music ever else  
Down to every bridge  
But I could take this on, leave the rest behind  
To the end of day!  
Cyan, cyan, cyan, cyan, cyan, cyan, cyan, cyan!  
Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
