

Strong In Reason

Squeeze

WARNING: These lyrics are unconfirmed and may be inaccurate. They represent the best attempt at deciphering the song we have yet to see. You get your trunks

Out of the drawer
You see yourself
As once before
Strong in reason
Strong in reason
The empty box
Lies on the chair
Another steroid
Grease your hair and you're
Strong in reason
Strong in reason
The sun-ray lamp
Is put away
There is no need
To be afraid
Strong in reason
Strong in reason So fix yourself
Into a shape
Your audience
Is half awake and you're
Strong in reason
Strong in reason The time has come
To flex your back
Another day
For you, meat-rack
Strong in reason
Strong in maker
Strong in arm
Strong with almost perfect charm
Strong intention
Strong in strength
Strong in almost every sense Strong in reason
Strong in reason
Strong in reason
Strong in reason And on the stage
The lights are green
It's one step forward
Now you've been seen
Strong in reason
Strong in reason The right arm up

The left arm down
Open mouth
The vacant crowd
Strong in reason
Strong in reasonThe chest of wax
Flips like a coin
Into the rhythm
Into the join
Strong in reason
Strong in reasonThe ladies in
The comfortable seats
They look at you with
Eyes so deep 'cause they're
Strong in reason
Strong in reasonWell take a bow
Because you'll get the sack
I'm pleased to slag you off
Meat-rack
Strong in reason
Strong in reasonStrong in maker
Strong in arm
Strong with almost perfect charm
Strong intention
Strong in strength
Strong in almost every senseStrong in reason
Strong in reason
Strong in reason
Strong in reason
