

# After the Fire Is Gone (feat. Tracy Lawrence)

Lorrie Morgan

love is where you find it when you find no love at home  
and there's nothin' cold as ashes after the fire is gone  
the bottle is almost empty  
the clock just now struck ten  
darlin i had to call you to my favorite place again  
we know its wrong for us to meet but the fires gone out at home  
and there's nothin' cold as ashes after the fire is gone  
love is where you find it when you find no love at home  
and there's nothin cold as ashes after the fire is gone  
your lips are warm and tender  
your arms hold me just right  
sweet words of love you remember that the one at home for god  
each time we say its the last time  
oh but we keep holding on  
and there's nothin cold as ashes after the fire is gone  
love is where you find it when you find nothing at home  
and theres nothing cold as ashes after the fire is gone
