

# Hey Pretty Girl

Kip Moore

Hey pretty girl, won't you look my way?  
Love's in the air tonight  
Bet you could make this ol' boy stay  
Hey pretty girl, won't you look my way? Hey pretty girl, can I have this dance?  
And the next one after that  
Gonna make your mind there's a real good chance  
Hey pretty girl, can I have this chance? Hey pretty girl, it feels so right  
Just like it's meant to be  
All wrapped up in my arms so tight  
Hey pretty girl, it feels so right Life's a lonely, winding ride  
Better have the right one by your side  
Happiness don't drag its feet  
Time moves faster than anything  
Hey pretty girl, wanna take you home  
My momma's gonna love you  
She'll make me sleep on the couch, I know  
But hey pretty girl, wanna take you home Hey pretty girl, let's build some dreams  
A house on a piece of land  
Plant some roots and some apple trees  
Hey pretty girl, let's build some dreams Life's a lonely, winding ride  
Better have the right one by your side  
Happiness don't drag its feet  
Time moves faster than anything Hey pretty girl, you did so good  
Our baby's got your eyes  
And a fighters heart like I knew she would  
Hey pretty girl, you did so good  
Hey pretty girl, when I see the light  
When it's my time to go  
I'm gonna thank the Lord for a real good life  
Pretty little girl and a beautiful wife
