

# All Around Me

## Flyleaf

My hands are searching for You  
My arms are outstretched towards You  
I feel You on my fingertips  
My tongue dances behind my lips for You  
This fire rising through my being  
Burning, I'm not used to seeing You  
I'm alive I'm alive I can feel You all around me  
Thickening the air I'm breathing  
Holding on to what I'm feeling  
Savoring this heart that's healing  
My hands float up above me  
& You whisper You love me  
& I begin to fade  
Into our secret place  
The music makes me sway  
The angels singing say we are alone with You  
I am alone, & they are, too, with You  
I'm alive I'm alive  
I can feel You all around me  
Thickening the air I'm breathing Holding on to what I'm feeling Savoring this heart that's healing  
& so I cry (holy)  
The light is white (holy)  
& I see You  
I'm alive, I'm alive, I'm alive  
I can feel You all around me  
Thickening the air I'm breathing  
Holding on to what I'm feeling  
Savoring this heart that's healing  
Take my hand, I give it to You  
Now You own me, all I am  
You said You would never leave me  
I believe You, I believe  
I can feel You all around me  
Thickening the air I'm breathing  
Holding on to what I'm feeling  
Savoring this heart that's healed
