

# The Mouth

Bridget Kelly

I will enter into a drowning sea,  
And I will enter into a thundering sky,  
And I know what will become of me, yeah  
I accept the punishment and won't ask why!Pre-Because I knew I shouldn't have gone there,  
Know I shouldn't have said that,  
Know I shouldn't have did that  
Knew I would regret that  
Now I can't undo that one, that one!  
That one last kiss  
That set it off like a wildfire burning inside  
I know it all begins, oh  
With the mouth, with the mouth!  
Never thought it would come to this  
But like a moth to a flame, I will follow desire  
And it all begins  
Oh, with the mouth, with the mouth!Now I'm a prisoner to your touch oh hey  
Now I'm a servant and you are my king, yeah!  
One night no it didn't take much, much, take much  
I want it more now than anything, yeah!  
DamnPre Because I know I shouldn't have gone there,  
Know I shouldn't have said that,  
Knew I shouldn't have did that  
Knew I would regret that  
Now I can't undo that one, that one!  
That one last kiss  
That set it off like a wildfire burning inside  
I know it all begins, oh  
With the mouth!  
Never thought it would come to this  
But like a moth to a flame, I will follow desire  
And it all begins  
Oh, with the mouth, with the mouth, uh! Ohh!  
With the mouth!  
Uh!  
Knew I shouldn't have did that one!
