

# The Picture

Ty Segall

Unharmony dies, must I walk by  
Before I say goodbye to you?  
In all many times I wished for a sign  
Something to tell me it's not true A wind takes time [?]  
To even start  
No-one was readier  
To feel your heart So I realize as I walk by  
I say hello to the one that I love so Oh, hello  
Oh, hello  
Oh, hello  
Oh, hello  
Oh, hello  
Oh, hello  
Oh, hello  
Oh, hello  
Oh, hello
