

Unstoppable

China Anne McClain

Hard to take
The days you just can't catch a break
When it brings me down
I get right back up
'Cause I'm powerful
An incredibleIndependent girl
Ready for the world
World, world, world
C'mon
Tonight I'm unstoppable
I'm unstoppable
Incredibly strong
Tonight I'm unstoppable
I'm unstoppable
The world is callin' me
Out, out, out
Don't wanna whisperWanna shout, shout
C'mon
You know I'm unstoppable
I'm unstoppableWhen you're the girl you want
The moment's ripe to pull a stunt
Yeah, it's time to show what
Lies behind the front
Get up on your feet
Make the scene complete
Underneath the lights
Everything's alright
Right, right, right
C'mon
Tonight I'm unstoppable
I'm unstoppable
Incredibly strong
Tonight I'm unstoppable
I'm unstoppable
The world is callin' meOut, out, out
Don't wanna whisper
Wanna shout, shoutC'mon
You know I'm unstoppable
I'm unstoppable
Get out, get out
Get outta your head
Get out, get out

And live instead
Get out, get out
Get out alright Yeah
'Cause I'm powerful
An incredible
Independent girl
Ready for the world
World, world, world
C'mon
Tonight I'm unstoppable
Tonight I'm unstoppable
Incredibly strong
Tonight I'm unstoppable
Unstoppable
The world is callin' me
Out, out, out
Don't wanna whisper
Wanna shout, shout
C'mon
You know I'm unstoppable
Unstoppable
Get out, get out
Get outta your head
Get out, get out
And live instead
Get out, get out
Get out alright
Yeah
