Natalie Cole

Written by Drake-Higginbotham-Fisher Woh, woh, ha, yeah, hmm---, oh Good morning heartache, you old gloomy site Good morning heartache Thought we said goodbye last night I tossed and turned until it seemed that you had gone But here you are with the dawn Hoo, wish I'd forget you, but you're here to stay, yeah It seems I met ya, when my love had gone away I start each day out just by saying to you Good morning heartache, what's new Stop haunting me now, can't shake you no how Why don't you just leave me alone I've got those Monday blues those straight through Sunday blues Oh, good morning heartache, here we go Here we go, here we go again, well Good morning heartache You're the one who knew me when I guess I might as well get used to you hanging around Good morning heartache, I see you're back in town Good morning heartache, why don't ya sit on down, sit down -----
