

# Two Can Have A Party

Marvin Gaye & Tammi Terrell

Who needs the noise of a party crowd  
Who needs the records turned up loud  
When two, we two can have a party all alone?

Oh yeah

Ooo pretty music, a cozy chair  
Lights down low and I'm holding you near  
Oh baby, we two can have a party all alone

Oh yeah(twice)

When we are together, I'm like a feather  
Floating in the air

I don't care where we're going  
Just as long as you are there

Oh baby

Me and you, you and me

We can have a party, just wait and see  
Oh well, two, we two can have a party all alone

Yes we can

Baby, two, we two can have a party all alone  
Nobody else, you and me, hah, all alone

Pretty, pretty music, a cozy chair, yeah

...and fade
