

Big Brown Bear

[Kira Willey](#)

I'm a bear, I'm a bear
I'm a big brown bear
walking on my giant paws
I'm traveling the woods
I'm a bear, I'm a bear
I'm a big brown bear
(give me) some fish for my lunch
some berries to munch
and I'm a happy
strong and furry
big brown bear
I go swimming, swimming
looking for a lake so I can take a splashy bath
I go swimming, swimming
I'm gonna take a splashy bath
and then I'll take a rest
I go fishing, fishing
looking for some fish to eat
the salmon are the best
I go fishing, fishing
looking for some fish to eat
and then I'll take a rest
I go picking, berry picking
looking for some berries
I think blue ones are the best
I go picking, berry picking
I'm looking for some berries and then I'll take a rest
I'm getting sleepy, so sleepy
looking for a cozy cave
so I can take a rest
I'm getting sleepy, so sleepy
gonna find a cozy cave
and take a long rest
