

You're Welcome (feat. Lin-Manuel Miranda)

Jordan Fisher

I see what's happening yeah
You're face to face with greatness, and it's strange
You don't even know how you feel
It's adorable.
It's nice to see that humans never change
Open your eyes
Let's begin
Yes, it's really me
Breathe it in
I know it's a lot
The hair or the bod
When you're staring at a demigod
What an I say except you're welcom?
For the tide, the sun, the sky?
Hey, it's okay, it's okay
You're welcom
I'm just an ordinary demi guy
What an I say except you're welcom?
For the tide, the sun, the sky?
Hey, it's okay, it's okay
You're welcom
I'm just an ordinary demi guy
Honestly, I could go on and on
I could explain every natural phenomenon
The tide? The grass? The ground?
Oh, that was me, I was messing around
I killed a snake, I buried it's guts
Sprouted a tree, now you got coconuts
What's the lesson? What is the take away?
Don't mess with Maui when he's on a breakaway
And the tapestry here in my skin
Is a map of the victories I win!
Look where I've been, I make everything happen
Look at that mean mini Maui just tickety tappin!
Singin and scratchin, flippin and snappin
People are clappin', hearin' me rappin'
Bring the chorus back in!
Well anyway let me say you're welcom
For the wonderful world you know (You're welcom)
Hey, it's okay, it's okay You're welcom
Well, come to think of it, I gotta go
Hey, it's your day to say you're welcom!

Cause I'm gonna need that boat, Oh
I'm sailing away away you're welcom
Yeah, Cause Maui can do everything but float
You're welcom
You're welcom
