

I'll Be There

Hardline

Na na na
Na na na
Na na na I know how you feel, girl, I've been there many times before
I got a pick up, I'm walkin' out the door
Sometimes hopin' is all that we can do
In mind and spirit, girl, I'm always there for you Every time I think about us, the way it's got to
be
You know someday we will work it out
When all that we wish for is just a memory Anytime you need me, I'll be there
Anytime at all, just say the word
Just you say the word and I'll be there
Anytime you need me, girl I will be there
The nights seem longer, the days feel just the same
Well a little more lonelier than yesterday
Sometimes words ain't easy to explain
Whether I'm here or gone, the feeling stays the same, oh yeah Every time I think about us, the
way it's got to be
You know someday we will work it all out
When all that we wish for is just a memory Anytime you need me, I'll be there
Anytime at all, just say the word
Just you say the word and I'll be there
Anytime you need me, girl I will be there Oh yeah, oh yeah, alright Anytime you need me, I'll be
there
Anytime at all, just say the word
Just you say the word and I'll be there
Anytime you need me I will be there
Na na na
Na na na
Na na na
