

# I'll Be There

## Hardline

Na na na  
Na na na  
Na na na I know how you feel, girl, I've been there many times before  
I got a pick up, I'm walkin' out the door  
Sometimes hopin' is all that we can do  
In mind and spirit, girl, I'm always there for you Every time I think about us, the way it's got to  
be  
You know someday we will work it out  
When all that we wish for is just a memory Anytime you need me, I'll be there  
Anytime at all, just say the word  
Just you say the word and I'll be there  
Anytime you need me, girl I will be there  
The nights seem longer, the days feel just the same  
Well a little more lonelier than yesterday  
Sometimes words ain't easy to explain  
Whether I'm here or gone, the feeling stays the same, oh yeah Every time I think about us, the  
way it's got to be  
You know someday we will work it all out  
When all that we wish for is just a memory Anytime you need me, I'll be there  
Anytime at all, just say the word  
Just you say the word and I'll be there  
Anytime you need me, girl I will be there Oh yeah, oh yeah, alright Anytime you need me, I'll be  
there  
Anytime at all, just say the word  
Just you say the word and I'll be there  
Anytime you need me I will be there  
Na na na  
Na na na  
Na na na
