

Head On (feat. Kevin Gates)

YoungBoy Never Broke Again

Bet, yeah, I Run up a check, make that lil hoe give me neck, uh
Hop off a jet, lookin' to see where I'm at, uh
Over two bodies we done stretched, got her head on wet
Rip my pockets, I can't let, got her head on bet, uh Whole lot of hoes I done met
Talk like he 'bout it, I'm spinnin' 'bout that
Girl in my pocket, I'm wringin' her neck
Move like a goddess, stay with a chopper, uh
Let me see can you catch?
Make your ho go fetch, she say roger that, yeah
Big face, stupid stacks, I got a lot of that
Who you f*ckin' and suckin', I'm lovin' that
Tell the truth, you don't got lie 'bout that
If you ask me I'll tell you I'll throw affect
Bend it over, I want you to throw it back
Take a shot and they know we gon' send 'em back
Wet the block in a day boy, I been on that, yeah
Run up a check, make that lil b*tch give me neck, uh
Hop off a jet, lookin' to see where I'm at, uh
Over two bodies we done stretched, got her head on wet
Rip my pockets, I can't let, got her head on bet Walk in and flex, women be breakin' they neck
Callin' correct, used to be callin' collect
Don't like to text, need to get in your face, where you at?
sh*ttin' hard, got a stain on your chest, no Lambo, whippin' the 'Vette
Strap Rambo up in the TEC, commando runnin' the checks
Ass on, we been goin' off, gotta switch cars for to throw him off, I'm him
Cookin' the yay, this without workin' a sweat
And I been tellin' Kid trill, go 'til we run out of breath
He say b*tch Run up a check, make that lil b*tch give me neck, uh
Hop off a jet, lookin' to see where I'm at, uh
Over two bodies we done stretched, got her head on wet
Rip my pockets, I can't let, got her head on bet
Run up a check, make that lil b*tch give me neck, uh
Hop off a jet, lookin' to see where I'm at, uh
Over two bodies we done stretched, got her head on wet
Rip my pockets, I can't let, got her head on bet, uh
