

# O'Lord

Lauren Daigle

Whoa

Whoa

Whoa Though at times it seems like I'm coming undone

This walk can often feel lonely

No matter what until this race is won I will stand my ground where hope can be found

I will stand my ground where hope can be found Oh

O'Lord, O'Lord, I know You hear my cry

Your love is lifting me above all the lies

No matter what I face, this I know in time

You'll take all that is wrong and make it right

You'll take all that is wrong and make it right

Your strength is found at the end of my road

Your grace, it reaches to the hurting Still through the tears and the questioning why,

I will stand my ground where hope can be found!

I will stand my ground where hope can be found! Oh

O'Lord, O'Lord, I know You hear my cry

Your love is lifting me above all the lies

No matter what I face, this I know in time

You'll take all that is wrong and make it right

You'll take all that is wrong and make it right I will stand my ground where hope can be found

I will stand my ground where hope can be found

I will stand my ground where hope can be found!

I will stand my ground where hope can be found!

Oh!

O'Lord, O'Lord, I know You hear my cry

Your love is lifting me above all the lies

No matter what I face, this I know in time

You'll take all that is wrong and make it right

You'll take all that is wrong and make it right

Make it right

Make it right
