

# I Thank You Child

Zakk Wylde

All for you,  
Everlasting love forever, skies of blue  
All in your heart,  
Never ending, just a means for start  
(Chorus)  
Comfort in your eyes  
For the warmth inside your smile  
Faith's done gone astray  
It was you who made living all worth the while  
I thank you my child  
It was you who made living all worth the while  
I thank you my child  
With the touch of your hand  
Amidst confusion I can see enough to understand  
All my fears repressed  
Oh lovin' you, child, it's the best  
(Chorus)  
You're all & everything to me  
Til the end of time, you know you'll always be  
Ain't no second guess  
Oh you put my worried soul to rest
