

Features (feat. Key!)

Quentin Miller

[Hook: Quentin Miller]

Yeah, my bitch came with features, my bitch came with features
My bitch built like Mona Lisa with a platinum Visa
Drive a 2016 whip and still drop the ceiling
If she ain't bringing no income, she's just not appealing
My bitch came with features, my bitch came with features
My bitch came with features, my whip came with
My whip came with features, yeah yeah yeah yeah[Verse 1: Key!]
Okay, my bitch keep my Glock and my tote
Okay, your bitches, they keep on blowing smoke
Okay, my bitch got a bumper on her rear
Okay, my bitch got some diamonds in her ear
Okay, me and my bitch, we rolling like [?]
Okay, with me and she drinking on Bacardi
Okay, she jump up on the dick and start to ride it
Just drunk driving, she drunk driving
Okay, my bad bitch came with more bad bitches
Okay, they got foreign features just like foreign whips
Okay, they pull up in it like a car club
You niggas want some, but look like bald no

[Hook: Quentin Miller]

Yeah, my bitch came with features, my bitch came with features
My bitch built like Mona Lisa with a platinum Visa
Drive a 2016 whip and still drop the ceiling
If she ain't bringing no income, she's just not appealing
My bitch came with features, my bitch came with features
My bitch came with features, my whip came with
My whip came with features, yeah yeah yeah yeah[Verse 2: Quentin Miller]
Old school, your bitch is a old school
Old news, y'all niggas is old news

Yeah, me man and Key create our own rules
Yeah, I got problems, all my niggas got 'em all
Man, my bitch came with features, I might test 'em out
[Hook: Quentin Miller]

My bitch came with features, my bitch came with features
My bitch built like Mona Lisa with a platinum Visa
Drive a 2016 whip and still drop the ceiling
If she ain't bringing no income, she's just not appealing

My bitch came with features, my whip came with
My whip came with features, yeah yeah yeah
