

Lunatic Asylum

Theatres des Vampires

I Have seen Satan and I have seen God
I'm closed in this cell from a long time
"If the Damnation is eternal! A man that wants to mutilate himself is really damned, isn't true?
I think to be in Hell, then I'm here!" "Helpless, naked, piping loud,
Like a fiend hid in a cloud.
Struggling in the nurse's hand
Striving against my swadling bands,
Bound and weary! In the secret shadow of his chamber: the youth shut up from
The lustful joy shall forget to generate and create an amorous image
In the shadows of his chamber and in the folds of his silent pillow.
Oh sweet goat, here I am, come and lick my white neck; let me pull your soft wool; let me kiss
your soft face!"
I'm Satan! I'm God! I'm an Angel! I'm a Vampire!
Liber scritus proferetur
In quod totum continetur
Unde mundus judicetur!
Judex ergo cum sedebit
Quid quid latet apparebit
Nil in ultum remanebit!
