

Veil of Maya (2004 Remix)

Cynic

In Maya's grip illusion transforms verity
Perceiving thus a delusive world of duality Veil of Maya
Balance every joy with a grief
Dual scales of Maya
Earth's unending law of polarity Ahamkara... veil of Maya Illusion works impenetrable
Weaving webs innumerable
Her gay pictures never fail
Crowd each other veil on veil
Charmer who will be believed
By man who thirsts to be deceived
Maya subjects you
Veil of Maya
Chops and divides God's dream thoughts
The great divider
As we be subject to likes and disgust Ahamkara... veil of Maya Maya subjects you
Charmer who will be believed
By man who thirsts to be deceived Veil of Maya
Balance every joy with a grief
Dual states of Maya
Earth's unending law of polarity
Veil of Maya
Chops and divides God's dream thoughts
The great divider
As we be subject to likes and disgust Ahamkara... veil of Maya
