

This Is the End

Buddy Guy

Oh that's what I'm hearin', darlin'
I got a feelin' that it won't be long
Oh yes this is it, baby
I gotta feelin' an' it won't be long
Oh things goin' from bad to worse, baby
I'm gonna find me another home
We used to live together as one, babe
Until you started runnin' 'round
Oh, we used to live together as one, darlin'
Until you started runnin' 'round
Oh you know, you got too many irons in the fireplace
I'm gonna leave an' put you down
Now when ya start to gettin' lonesome woman
I want you to fall on your knees and say a prayer, too
Oh yes, when you start to get a little lonesome baby
I want ya to fall on your knees and say a prayer, too
Oh 'cause I'm gonna find me someone else
Give all this lovin' I had for you Mercy! Come here baby!
I never dreamed I'd see the day, baby
I don't believe it would go this way
Oh, I never dreamed I'd see the day, baby
I didn't believe it would go this way
Oh, the only thing I can say, baby
I hate your love have to end this way
