

# Swing On This

## Alice In Chains

Mother said come home  
Father said come home  
Sisters said come home  
So my friends said come home I said Let me be, I'm alright  
Can't you see, I'm just  
Fine  
Little skinny, okay  
I'm asleep anyway  
Then I heard a voice  
Said "son you have a  
choice"  
I then slapped my face Let me be, I'm okay  
I'm awake anyway  
It's too bright over there  
I can shift, cannot steer  
So I drive them away  
For a while, then I stay  
Little skinny, okay  
I'm awake, anyway Now I have to go home  
Do as, when in Rome  
Let me be, I'm alright  
Can't you see, I'm just  
Fine  
Little skinny, okay  
I'm asleep anyway  
Let me be, I'm okay  
I'm awake, anyway
