

Haven't Seen the Last of Me

The Interrupters

Everything is hot when the night gets dark
and the whole world's gone to sleep
They wanna dress me up like the rest of them
but I'm a wolf and they're just sheep
They say you'll never make it cause you're different now
you better fit and conform mainstream
Well it's not like me I'm breaking free,
don't worry just wait and see!Na na na na na na na no you haven't seen the last of me!
Na na na na na na na no you haven't seen the last of me!
Drinking in the park with the pigs like sharks
saying us that we can't breed
Yeah back in the beginning it was misfit living
now our lifestyle's gone wallstreet
All the girls and the boys they're just making noise
trying to wake up the elite
Yeah we won't stop we hear pumps drop this record will repeat!Na na na na na na na no you
haven't seen the last of me!
Na na na na na na na no you haven't seen the last of me!(shouting through solo)Huh yeah.
Listen, you thought we were done
Oh man, we've only just begun
Na na na na na na na no you haven't seen the last of me!
Na na na na na na na no you haven't seen the last of me!
Na na na na na na na no you haven't seen the last of me!
Na na na na na na na no you haven't seen the last of me!
