

Thunder (feat. Bonnie McKee)

Rusko

Putting out that fire
Putting out that fire
Putting out that fire
I hear the thunder of my heartbeat
Gonna hunt you down
Before you even know what's happening Ooh who-oh Who-oh I'm coming after you (Who-oh)
I'm coming after you (Who-oh)
You best look out
I'm coming after you (Who-oh)
I'm coming after you (Who-oh) Who-oh
I hear the thunder of my heartbeat
Gonna hunt you down
Before you even know what's happening I hear the thunder of my heartbeat
Gonna hunt you down
Before you even know what's happening Putting out that fire
(Who-oh) Putting out that fire
(Who-oh) Who-oh Putting out that fire
Putting out that fire Putting out that fire
I hear the thunder of my heartbeat
Gonna hunt you down
Before you even know what's happening
Ooh who-oh I hear the thunder of my heartbeat
Gonna hunt you down
Before you even know what's happening I hear the thunder of my heartbeat
Gonna hunt you down
Before you even know what's happening Ooh who-oh Putting out that fire
(Who-oh)
Putting out that fire
(Who-oh) Putting out that fire
