

Eyes Wide Open

Gotye

With our eyes wide open, we...
With our eyes wide open, we...So this is the end of the story
Everything we had, everything we did
Is buried in dust, and this dust is
All that's left of us left of us
And only a few ever worriedWhile the signs were clear, they had no idea
You just get use to livin' in fear
Or give up, when you can't even picture your futureWe walk the plank, with our eyes wide open
We walk the plank with our eyes wide open, we
(Walk the plank, with our eyes wide open, we)
Yeah, we walk the plank with our eyes wide open, we
(Walk the plank, with our eyes wide open, we)
And some people offered up answers
We made out we like we heard
They were only words
They didn't add up, to a change in the way we were living
And the saddest thing, is all of it could've been avoidedBut it was like to stop consuming's, to
stop being human
And why'd I make a change if you won't
We're all in the same, boat
Stayin' afloat for the momentWe walk the plank with our eyes wide open, we
(Walk the plank with our eyes wide open, we)
Yeah we walk the plank with our eyes wide open, we
(We walk the plank with our eyes wide open, we)
We walk the plank with our eyes wide, we
We walk the plank with our eyes wide, we
We walk the plank with our eyes wide, we
Mmmm hmmm mmm
(With our eyes wide open)
We, walk the plank, we walk the plank
(With our eyes wide open)
We, walk the plank, we walk the plank, we walk the plank
(With our eyes wide open)
We, walk the plank, we walk the plank
(With our eyes wide open)
And that is the end of the story
