Kool John

[Intro]

Hey, I made this beat
Gold chains swanging [Hook: Kool John]
I ain't got no chill, I ain't got no chill
I ain't got no chill, with a headache in my system
I ain't got no chill
Where that lean, where that molly, I ain't got no chill
I ain't got no chill, I ain't got no chill, I ain't got no chill
I ain't got no chill
With that Henny in my system I ain't got no chill
Where that molly, where that weed I ain't got no chill
I ain't got no chill, I been poppin' pills, I'm bout dollar bills ya
Oh she twerkin' still, tryna fuck her still, I ain't got no chill

[Verse 1: Kool John]

I took ? for the racks
Drippin' sauces and the swag
Everyday a nigga stay geeked up
She let me beat like a sprinkler
Fuck her once then I keep her
Bitch wetter than a sprinkler
Charge a grip for the verses
Talkin' chicken, no Churches
Real nigga never change
Young nigga rich and I'm famous
I keep it lit like its ?

[Hook]

I ain't got no chill, I ain't got no chill
I ain't got no chill, with a headache in my system
I ain't got no chill
Where that lean, where that molly, I ain't got no chill
I ain't got no chill, I ain't got no chill, I ain't got no chill
I ain't got no chill
With that Henny in my system I ain't got no chill
Where that molly, where that weed I ain't got no chill
I ain't got no chill, I been poppin' pills, I'm bout dollar bills ya
Oh she twerkin' still, tryna fuck her still, I ain't got no chill

[Verse 2: Larry June]

I ain't got no chill, all I smoke is kill
Super high forreal
Ok now I'm good, backwood, crackin' seals
Turn that back up, this a hit, good job kool john
I'm laid back, she goin' crazy we on a Futon

Big cannons with extendos, when a nigga go slide
All my hats say Fresco, for the bay one time (mob)
Hit my nigga coop, mob to the town
Talkin' on the internet when I see you never make a sound
I ain't got no chill, sippin' on this yac
Call my nigga Darryl
My nigga just took 2 to the chest, couldn't knock him down
These niggas hatin' on me, I just made another hundred thou'
White beamer on them 22's slidin' with the top down[Hook: Kool John]
I ain't got no chill, I ain't got no chill
I ain't got no chill, with a headache in my system
I ain't got no chill
Where that lean, where that molly, I ain't got no chill
I ain't got no chill, I ain't got no chill, I ain't got no chill
I ain't got no chill
With that Henny in my system I ain't got no chill
Where that molly, where that weed I ain't got no chill
I ain't got no chill, I been poppin' pills, I'm bout dollar bills ya
Oh she twerkin' still, tryna fuck her still, I ain't got no chill
