Humble & Kind

Lori McKenna

You know there's a light that glows by the front door

Don't forget the key's under the mat

When childhood stars shine

Always stay humble and kindGo to church 'cause your mamma says to

Visit grandpa every chance that you can

It won't be wasted time

Always stay humble and kindHold the door, say "please", say "thank you"

Don't steal, don't cheat, and don't lie

I know you got mountains to climb

But always stay humble and kind

When the dreams you're dreamin' come to you

When the work you put in is realized

Let yourself feel the pride

But always stay humble and kind

Don't expect a free ride from no one

Don't hold a grudge or a chip and here's why

Bitterness keeps you from flyin'

Always stay humble and kindKnow the difference between sleeping with someone

And sleeping with someone you love

"I love you" ain't no pick-up line

So always stay humble and kindHold the door, say "please", say "thank you"

Don't steal, don't cheat, and don't lie

I know you got mountains to climb

But always stay humble and kind

When those dreams you're dreamin' come to you

When the work you put in is realized

Let yourself feel the pride

But always stay humble and kind

When it's hot, eat a root beer popsicle

Shut off the AC and roll the windows down

Let that summer sun shine

Always stay humble and kind

Don't take for granted the love this life gives you

When you get where you're going the right back around

And help the next one in line

Always stay humble and kind
