

# Black Is Black

## MC Hammer

Bass! How low can you go?  
Death row, what a brother knows  
Once again, back is the incredible  
The rhyme animal  
The incredible Public Enemy number one  
Five-O said "Freeze!" and I got numb  
Can't I tell 'em that I really never had a gun?  
But it's the wax that the Terminator X spun  
Now they got me in a cell 'cause my records they sell  
'Cause a brother like me said "Well  
Farrakhan's a prophet and I think you ought to listen to  
What he can say to you, what you ought to do"  
Follow for now, power to the people say,  
"Make a miracle. D, pump the lyrical"  
Black is back, all in, we're gonna win  
Check it out, yeah y'all, here we go again  
Turn it up! Bring tha noize! Never badder than bad 'cause the brother is madder than mad  
At the fact that's corrupt as a senator  
Soul on a roll, but you treat it like soap on a rope  
'Cause the beats in the lines are so dope  
Listen for lessons I'm saying inside music that the critics are blasting me for  
They'll never care for the brothers and sisters now across the country has us up for the war  
We got to demonstrate, come on now, they're gonna have to wait  
Till we get it right  
Radio stations I question their blackness  
They call themselves black, but we'll see if they play this  
Get from in front of me, the crowd runs to me  
My DJ is warm, he's X, I call him Norm, ya know  
He can cut a record from side to side  
So what, the ride, the glide should be much safer than a suicide  
Soul control, beat is the father of your rock'n'roll  
Music for whatcha, for whichin', you call a band, man  
Makin' a music, abuse it, but you can't do it, ya know  
You call 'em demos, but we ride limos, too  
Whatcha gonna do? Rap is not afraid of you  
Beat is for Sonny Bono, beat is for Yoko Ono  
Run DMC first said a deejay could be a band  
Stand on its feet, get you out your seat  
Beat is for Eric B, and L.L. as well, hell  
Wax is for Anthrax, still it can rock bells  
Ever forever, universal, it will sell  
Time for me to exit, Terminator X-it  
From coast to coast, so you stop being like a comatose

'Stand, my man? The beat's the same with a boast dose  
Rock with some pizzazz, it will last why you ask?  
Roll with the rock stars, still never get accepted as  
We got to plead the fifth, we can investigate  
Don't need to wait, get the record straight  
Hey, posse's in effect, got the Flavor Terminator  
X to sign checks, play to get paid  
We got to check it out down on the avenue  
A magazine or two is dissing me and dissing you  
Yeah, I'm telling you
