I Believe In Santa Claus
I believe in santa claus
I believe in santa claus
I believe there's always hope when all seems lost
And i believe in santa claus
I believe in santa claus, i'll tell you why i do
'cause i believe that dreams and plans and wishes can come true
I believe in miracles, i believe in magic too
Oh i believe in santa claus and i believe in you I believe in family, in country and in smiles
I believe in turnin' negatives to positives in life
I believe in lookin' farther up the farther down we get
I believe when someone hurts us we should forgive and forget
And i believe in santa claus
I believe in santa claus
I believe love should prevail at any cost
And i believe in santa claus I believe in saying what you mean and meaning what you say
I believe a better attitude can make a better way
And i believe in viewing life as a journey that we're on
And lookin' at our troubles as another stepping stone And i believe that everything in life is
what it's meant to be
I believe there is a god somewhere although he's hard to see
I believe i am so therefore i should do all that i can
To be a better piece in the puzzle of god's plan And i believe in santa claus
I believe in santa claus
I believe there's always hope when all seems lost
And i believe in santa claus Let the little children sing it
I believe in santa claus, i believe in santa claus
I believe in santa claus, i believe in santa claus Let the whole world sing it with us I believe in
santa claus, i believe in santa claus
I believe in santa claus, i believe in santa claus Let the whole world sing it with us I believe in
santa claus
I believe in santa claus
I believe there's always hope when all seems lost
I believe in santa claus
