

# The New Workout Plan

## Kanye West

You just popped in the Kanye West  
Get right for the summer workout tape  
And ladies if you follow these instructions exactly  
you might bear to pull you a rapper, a NBA player  
Man, at least a dude wit' a car  
So first of all we gon' work on the stomach  
Nobody wants a little tight ass!  
1 and 2 and 3 and 4 and get them sit ups right and  
Tuck your tummy tight and do your crunches like this  
Give head, stop breathe, get up, check your weave  
Don't drop the blunt and disrespect the weed  
Pick up your son and don't disrespect your seed  
It's a party tonight and ooh she's so excited  
Tell me who's invited: you, your friends and my dick  
What's scary to me is Henny makes girls look like Halle Berry to me  
So excuse me miss, I forgot your name  
Thank you, God bless you, good night I came  
I came  
I came  
It's been a week without me  
and she feel weak without me  
She wanna talk it out but  
Ain't nothin' to talk about  
'Lest, she talkin' about freakin' out  
then maybe we can work it out  
Work it out (Come on)  
Work it out now  
Maybe we can work it out (Come on, come on)  
Oh girl your silhouette make me wanna light a cigarette  
My name Kanye from the Jigga set Twista said get it wet  
Ooh girl your breath is harsh  
Cover your mouth up like you got sars  
Off them tracks yea I bought them cars  
Still killa a nigga on 16 bars  
We ain't sweatin' to the oldies we jukin to a cold beat  
Maybe one day girl we can bone  
so you can brag to all your homies now  
But I still mess with a big girl if you ain't fit girl I'll hit girl  
1 and you brought 2 friends OK 3 more now hop in the Benz  
Four door do you know the difference between a 5, 6, 7, 8  
All the mocha lattes you gotta do Pilates  
You gotta pop this tape in before you start back dating

Hustlers, gangstas, all us, ballas  
It's been a week without me  
and she feel weak without me  
She wanna talk it out but  
Ain't nothin' to talk about  
'Lest, she talkin' about freakin' out  
then maybe we can work it out  
Work it out (Come on)  
Work it out now  
Maybe we can work it out (Come on, come on)
