

Weapons of Mass Destruction

Exciter

Rivals break and then destroy
Kings of time with deadly force
Terminate the evil screams
Desinate the rival's fear Weapons of Mass Destruction
Weapons - of destruction
Weapons of Mass Destruction
Weapons - of destruction Keep the faith and obstruction
Sacrifice the one who stole
Terror waits for us to fall
Break the wrath of vengeance toll
Weapons of Mass Destruction
Weapons - of destruction
Weapons of Mass Destruction
Weapons - of destruction Rivals break and then destroy
Kings of time with deadly force
Terminate the evil screams
Desinate the rival's fear
Weapons of Mass Destruction
Weapons - of destruction
Weapons of Mass Destruction
Weapons - of destruction
