In Your Eyes (feat. Alida) [Clean Bandit Remix]

Robin Schulz

Hearing whispers in the night
Voices filling up your mind
You're like a ghost of youYou've been drowning in the rain
Slowly saving up the pain
So deep inside of youSee the colours of the sky
Slowly turn from black and white
A rising hope, bright as goldAnd now there's nothing left to lose
So we're breaking all the rules
And they don't know what we know
'Cause I can hear the thunder from afar
A lightning in the dark
I can feel the fire come alive
So calm before the storm
So dark before the dawnOh, I can see the fire in your eyes
In your eyes
Oh, I can see the fire in your eyes
In your eyes
Oh, I can see the fire in your eyesOh, I can see the fire in your eyesNow you'll never be the same
Once you've felt that burning flame
You're chasing stars aliveWhat was broken's left behind
Watch it crumble in the light
Nothing can stop you now
See the colours of the sky
Slowly turn from black and white
A rising hope, bright as goldAnd now there's nothing left to lose
So we're breaking all the rules
And they don't know what we know'Cause I can hear the thunder from afar
A lightning in the dark
I can feel the fire come alive
So calm before the storm
So dark before the dawnOh, I can see the fire in your eyes
In your eyes
Oh, I can see the fire in your eyes
In your eyes
Oh, I can see the fire in your eyesOh, I can see the fire in your eyesOh, I can see the fire in your eyes
In your eyes
Oh, I can see the fire in your eyes
In your eyes

Oh, I can see the fire in your eyes
