

Rats

Ghost

In times of turmoil
In times like these
Beliefs contagious
Spreading disease This wretched mischief is now coursing through your souls
Never to let go
Never to let go Them rats Into your sanctum
You let them in
Now all your loved ones
And all your kin
Will suffer punishments beneath the wrath of God
Never to forgive
Never to forgive Them rats (oh wah ah)
Rats (oh wah ah)
Rats (oh wah ah)
Rats (oh wah ah) This devastation left your cities to be burnt
Never to return
Never to return And filthy rodents are still coming for your souls
Never to let go
Never to let go Them rats (oh wah ah)
Rats (oh wah ah)
Rats (oh wah ah)
Rats (oh wah ah)
They're still coming after you (oh wah ah)
And there's nothing you can do (oh wah ah)
They're still coming after you (oh wah ah)
And there's nothing you can do (oh wah ah) Rats
