

Firestone (feat. Conrad Sewell)

Kygo

I'm a flame, you're a fire
I'm the dark in need of light
When we touch, you inspire
Feel the change in me tonight So take me up, take me higher
There's a world not far from here
We can dance in desire
Or we can burn in love tonight Our hearts are like firestones
And when they strike, we feel the love
Sparks will fly, they ignite our bones
But when they strike, we light up the world Our hearts are like firestones
And when they strike, we feel the love
Sparks will fly, they ignite our bones
But when they strike, we light up the world
We light up the world
We light up the world Oh, whoa
Whoa
Oh, whoa
Firestone I'm from X, you're from Y
Perfect strangers in the night
Here we are, come together
To the world we'll testify Our hearts are like firestones
And when they strike, we feel the love
Sparks will fly, they ignite our bones
But when they strike, we light up the world We light up the world
Oh, whoa
Whoa
Oh, whoa
