

Mowgli's Road

Marina and The Diamonds

Cuckoo (cuckoo)
Cuckoo (cuckoo)
Cuckoo (cuckoo)
Cuckoo (cuckoo) Ten silver spoons coming after me
One life with one dream on repeat.
I'll escape if I try hard enough
'Til King of the Jungle calls my bluff
Oh Lord (Oh Lord)
I have been told (I have been told)
That I must take the unforsaken road (forsaken road) There's a fork in the road
I'll do as I am told
And I don't know, don't know, don't know, don't know
Who-oo-oo-oo-ooo I want to be
Cuckoo (cuckoo)
Cuckoo (cuckoo)
Cuckoo (cuckoo, cuckoo) You say Y-E-S to everything
Will that guarantee you a win?
Do you think you will be good enough
To love others and to be loved?
Oh Lord (Oh Lord)
Now I can see (now I can see)
The cutlery will keep on chasing me (forsaken road) There's a fork in the road
I'll do as I am told
And I don't know, don't know, don't know, don't know
Who-oo-oo-oo-ooo I want to be.
We are the spoons metally mean.
We scooped our way into your dreams
To knock the knives out bloody cold.
And lead you down the unforsaken road.
(Forsaken road)
There's a fork in the road (road)
I'll do as I am told
And I don't know, don't know, don't know, don't know
Who-oo-oo-oo-ooo I want to be.
Cuckoo
