

# Sugar

Maren Morris

Boy I've been cooking up one hell of a crush  
I've got you on my mind the minute I wake up  
You make the morning glow, make the rooster crow, get my juices flowing  
You know I got the spice but it ain't enough Baby would you be my sugar, sugar?  
Make my heart race, even on a good day  
You make the world taste better, better  
Good on anything, want you on everything  
Just a little bit is all it takes  
Like a Coca-Cola on a Christmas Day  
You're what I crave babe, what can I say?  
Would you, would you  
Would you be my sugar, sugar?  
Tried the fake shit but it ain't the same  
A girl just knows when it's the real thing  
Yeah I'm a cup of tea with a touch of cream but something's missing  
So I'm gonna put this nice and sweet Baby would you be my sugar, sugar?  
Make my heart race, even on a good day  
You make the world taste better, better  
Good on anything, want you on everything  
Just a little bit is all it takes  
Like a Coca-Cola on a Christmas Day  
You're what I crave babe, what can I say?  
Would you, would you  
Would you be my sugar, sugar?  
Would you be my sugar, sugar? Sugar sugar, you make my heart race  
Even on a good day you make the world taste  
Better better, good on anything  
Just a little bit is all that it takes  
Sugar, sugar  
Make my heart race, even on a good day  
You make the world taste better, better  
Good on anything, want you on everything  
Just a little bit is all it takes  
Like a Coca-Cola on a Christmas Day  
You're what I crave babe, what can I say?  
Would you, would you  
Would you be my sugar, sugar?  
Would you be my sugar, sugar?  
Yeah
