

My Hero

Foo Fighters

Too alarming now to talk about.
Take your pictures down and shake it out
Truth or consequence, say it aloud
Use that evidence, race it around
There goes my hero
Watch him as he goes
There goes my hero
He's ordinary
Don't the best of them bleed it out
While the rest of them peter out
Truth or consequence, say it aloud
Use that evidence, and race it around
There goes my hero
Watch him as he goes
There goes my hero
He's ordinary
Kudos my hero leaving all the best
You know my hero, the one that's on
There goes my hero
Watch him as he goes
There goes my hero
He's ordinary
There goes my hero
Watch him as he goes
There goes my hero
He's ordinary
