

Into the Dark

Ben Lee

Feelin' Better
Since I surrendered
You can't Climb
'Till Your ready to fall
You're not a land mine
You're not a gold mine
No you're not mine at all So tell me baby
Can you hear me?
I sent a message out into the dark
It's a mystery
When you're near me
I've gotta find my way to your heart
I learnt my lesson
First impressions
More ofen right than wrong
It's not a slow dance
This modern romance
Feels like we've already waited to long Don't worry baby
That how is should be
I sent a message out into the dark
I'd rather talk to you
About how it could be
I've gotta find my way to your heart I was one of those
breathing tornadoes
But now I live at the eye of the storm
And it's all faded
Then since the separation
Since I let your love keep me warm
You tell me baby
That you can feel me
I sent a message out into the dark
When I kiss you
That's the real me
I've gotta find my way to your heart So tell me baby
Can you hear me?
I sent a message out into the dark
It's a mystery
When you're near me
I've gotta find my way to your heart
I've gotta find my way to your heart
I've gotta find my way to your heart
