

# Blow Away

George Harrison

Day turned black, sky ripped apart  
Rained for a year till it dampened my heart  
Cracks and leaks, the floorboards caught rot  
About to go down, I had almost forgot All I got to do is to, to love you  
All I got to be is, be happy  
All it's got to take is some warmth to make it  
Blow away, blow away, blow away All I got to do is to, to love you  
All I got to be is, be happy  
All it's got to take is some warmth to make it  
Blow away, blow away, blow away Sky cleared up, day turned to bright  
Closing both eyes now the head filled with light  
Hard to remember what a state I was in  
Instant amnesia, Yang to the Yin  
All I got to do is to, to love you  
All I got to be is, be happy  
All it's got to take is some warmth to make it  
Blow away, blow away, blow away All I got to do is to, to love you  
All I got to be is, be happy  
All it's got to take is some warmth to make it  
Blow away, blow away, blow away Wind blew in, cloud was dispersed  
Rainbows appearing, the pressures were burst  
Breezes a-singing, now feeling good  
The moment had passed like I knew that it should All I got to do is to, to love you  
All I got to be is, be happy  
All it's got to take is some warmth to make it  
Blow away, blow away, blow away  
All I got to do is to, to love you  
All I got to be is, be happy  
All it's got to take is some warmth to make it  
Blow away, blow away, blow away All it's got to take is some warmth to make it  
Blow away, blow away, blow away, ooh All I got to do is to, to love you  
All I got to be is, be happy  
All it's got to take is some warmth to make it  
Blow away, blow away, blow away
