

# Shandi

## Kiss & The Melbourne Symphony Ensemble

I just can't pretend no more  
I keep runnin' out of lies  
Lovin' you is killin' me inside  
Every time I find the words to end it  
Something in your eyes won't let it  
Shandi, tonight must last us forever  
Forever we say goodnight and go home  
But you know me very well and I know you  
You can't tell me goodnight  
We been holding on so tight  
We're afraid to let it go  
Shake it loose, we both could use the ride  
Here's another mess I got myself in  
And when you touch me you ain't helpin'  
Shandi, tonight must last us forever  
Forever we say goodnight and go home  
But you know me very well and I know you  
You can't tell me goodnight  
Say goodnight when we should say goodbye, oo yeah  
Shandi, tonight must last us forever and  
ever  
Forever we say goodnight and go home  
Shandi, Shandi, tonight must last us forever
