

You the Boss (feat. Nicki Minaj)

Rick Ross

In the world of so many, baby girl you are that one
I deserve that, I deserve you I'd do anything that you say, anything

Cause you the boss

You, you, you the boss, man

You the boss (uh)

You, you, you the boss, man

You, you, you the boss, man (uh)

You, you, you the boss (boss)

You the boss (boss)

You, you, you the boss, man

You, you, you the boss, man You, you, you the boss, man

Rozay a born stunna

I can blow money (uh)

50 when I'm shoppin

That aint no money (uh)

I got ma jeans saggin

Money stuffed in em

I got 40 whips

Way too much in em

I need me a queen

I need me a dime

Livin this fast life

Just show me a sign

I'm a g

I'm, I'm, I'm, ima g

Took her from atlanta

To the condo on the beach

All she needs

A, a, a, all she needs

Is a boss on my level

Who provides her every need (need)

All I fiend is a queen in my presence

I can hold her till I die

Couple g's in a bezzle

(Boss) I'd do anything that you say, anything

Cause you the boss

You, you, you the boss, man

You the boss (uh)

You, you, you the boss, man

You, you, you the boss, man (uh)

You, you, you the boss (boss)

You the boss (boss) You, you, you the boss, man

You, you, you the boss, man
You, you, you the boss, man Still runnin the streets cause everyday I'm hustlin
Double mg winnin in the streets is lovin it
All this paper comin And my baby touchin it
I pinned her to the wall
You know this boy be bustin it
Fur coast in the winter
Look like a polar bear
Stuntin in the snow
These haters, they can go somewhere
Indoor pool
Outdoor pool
Indoor pool
Talkin ray j moves
7 rolls royces
Pink slips like a boss Champagne on her body
Time to lick it off
Me and baby girl are winning combination
Ownership is my conversation
I'm a boss I'd do anything that you say, anything
Cause you the boss
You, you, you the boss, man
You the boss (boss)
You, you, you the boss, man (boss)
You, you, you the boss, man (talk to me) Oh
I'll watch
You play (what you sayin baby)
And I'll do whatever you say (boss)
Oh I'll watch you play
And I'll doo Whatever you say I'd do anything that you say (uh), anything
Cause you the boss
You the boss (boss) You, you, you the boss, man
You, you, you the boss, man
You, you, you the boss, man (boss) You can take it anyway you want to
Daddy I promise that I'll never disappoint you Just watch how I make it my motherfuckin point
to
Get a raise (uh)
Get a raise (uh) You only live once baby (oohhh)
Lets do it big
Come on
The boss
The boss man
The boss man
Hey daddy wont you come and be my boss
Let me work it for you with no days off
Hey daddy wont you come and be my boss
With no days off (uh)
